

# IS THERE AN AMERICA

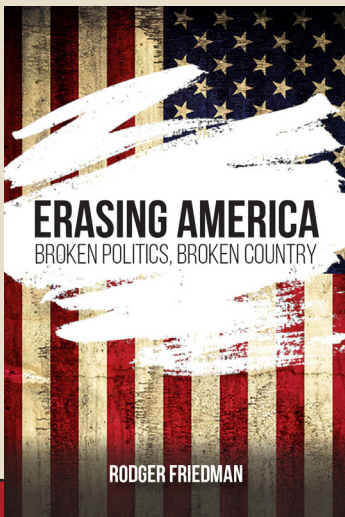

## LEFT TO SAVE?

**Mission Statement:** *"My mission is to help inspire Americans who are concerned about the course the country is taking and feel that our democracy and freedoms are under attack. I want to help steer our country back to a sound and sensible economic and political path by instigating real change to conserve it for future generations."*

As Americans across the country go to the polls to select the presidential candidate of their choice, one thing is abundantly clear: **75% of independents, 54% of Democrats and 95% of Republicans believe America is headed in the wrong direction.**

**Rodger Friedman**, author of *Erasing America: Broken Politics, Broken Country*, gives voice to how they feel, having earned a reputation as The Equal Opportunity Critic, willing to tell the truth, no matter who feels uncomfortable.

Well-spoken, soundbite-worthy and media savvy, he's the perfect guest to have on your show during the heated political season.
